BETWEEN

Chhatrapati Shivaji Institute of Technology

&

ELEATION, PUNE

Estd. 1999

Chhatrapati Shivaji Institute of Technology

Approved by: AICTE, New Delhi | Affiliated to CSVTU, Bhilai

MEMORANDUM OF UNDERSTANDING (MOU)

This is MOU between **Election Services Pvt. Ltd.** a company incorporated under the Companies Act 1956 (Amended Companies Act 2013) and located in Pune, Maharashtra (referred as **Election Services Pvt. Ltd., Pune** hereinafter) on the first part and **Chhatrapati Shivaji Institute of Technology, Durg, Chhattisgarh** Affiliated to CSVTU, Bhilai, recognized by AICTE, New Delhi and NAAC Accredited (referred to as **CSIT** hereinafter) on the second part.

Whereas **Election Services** is a company involved in a wide range of disciplines pertaining to IT and IT-enabled Services and **CSIT** is an educational institution providing BE/M.Tech/Ph.D. degree granting programmes.

And whereas **Election Services** and **CSIT** are desirous of collaborating with each other for mutual benefit and therefore agree to work together on the following terms and conditions:

- 1.0 **Mutual Relationship:** **CSIT** is committed for strong industry institute relationship and bridge the gap between institute curriculum and industry requirement.
- 1.1 **Election Services** shall assist **CSIT** in introducing new courses and designing their content towards making the students industry-ready.
- 1.2 **Election Services** shall offer Internship/On Job Training/Placement to **CSIT** students in their sixth and seventh semesters of IT related curricula on **Election Services** offices or project locations which shall be followed by weekly assignment in **CSIT** to be supervised by **CSIT**'s personnel.
- 1.3 **CSIT** shall give **Election Services** a preferential treatment when holding campus recruitment sessions.
- 1.4 **Election Services** shall provide training to at least two **CSIT** staff at **Election Services** premises, who shall further coordinate training program to students for 3 - 8 months course duration.
- 1.5 Both parties to this MOU shall further collaborate in designing and running other training programmes and events to their mutual benefit.
2. **Skill Development program for Faculty and Students:**
- 2.1 **Election Services** will cover skill enhancement program for **CSIT** faculties and students.
- 2.2 As per MOU, **Election Services** provide training in much-needed courses, third-party assessment and industry-approved certifications through the relevant Sector Skill Councils.

Contd...2..

Estd. 1999

Chhatrapati Shivaji Institute of Technology

Approved by: AICTE, New Delhi | Affiliated to CSVTU, Bhilai

- 2.3 **Election Services** provide programme management and qualified trainers while **CSIT** shall provide its physical infrastructure.
- 2.4 For detailed agreement on terms and conditions **Election Services** shall sign a separate agreement with **CSIT**.
3. **Hiring of CSIT Students:** **Election Services** will arrange required number of industrial visits at **Election Services** premises towards embellishing the students' awareness of workplace environment in a typical IT company. **Election Services** executives shall also visit **CSIT** campus to hold a seminar towards making the students aware on the latest technologies followed by campus drive for hiring students.
4. **Duration:** This MOU is valid for 12 (Twelve) calendar months.
5. **Termination:** Each party has the full liberty to terminate the collaboration with a notice of three months on mutual agreement.
6. **Mutual Obligations:**
- 6.1 Confidentiality
- 6.2 The institute has to return all the printed material like brochure, pamphlets and posters provided by the company on termination of collaboration or when desired by the company.
- 6.3 **CSIT** should mention its collaboration with **Election Services** on its website, banners, brochures, leaflets and other printed material till MOU tenure.
- 6.4 **Election Services** should mention its collaboration with **CSIT** on its website, banners, brochures, leaflets and other printed material till MOU tenure.

The parties may with mutual consent decide on further amendments to this MOU, as may be considered necessary to ensure smooth and efficient execution.

In written thereof, both parties put their hard seal as well as their signature of their representatives from both the sides on the day, month and year mentioned herein.

Report on

“Insights into Strategies for Tackling Different Types of Interviews”

[25/11/2021]

in Association with

“ELEATION, PUNE”

The Training and Placement Cell of Chhatrapati Shivaji Institute of Technology had organized webinar on **Insights into Strategies for Tackling Different Types of Interviews** in collaboration with **ELEATION, PUNE** at the campus. A total of 103 students took part in the webinar.

The Guest Speaker of the webinar was Mr. Apoorv Bapat. The webinar began with the inaugural session graced with the presence of Dr. Santosh Sharma Sir – Director CSIT, Mr. Sanjay Singh Sir- Dean Placement and Student Affairs.

The Insights into strategies for tackling different types of interviews aim to equip candidates with tailored approaches for varied interview formats, including behavioral, technical, and case interviews. These strategies focus on showcasing relevant skills, demonstrating problem-solving abilities, and effectively communicating experiences and qualifications to secure employment opportunities across diverse industries and roles.

Mr. Apoorv Bapat explained the students the importance of Insights into strategies for tackling different types of interviews are vital for job seekers as they provide a competitive edge by offering tailored techniques for navigating various interview styles. These insights enhance candidates' confidence, preparation, and ability to effectively convey their qualifications, ultimately increasing their chances of securing employment opportunities in diverse fields.

Outcome of the session:

The outcome of insights into strategies for tackling different types of interviews is increased interview success rates and improved career opportunities. Candidates equipped with diverse interview tactics are better prepared to handle any interview scenario, leading to more confident, polished performances that impress interviewers and ultimately result in job offers and career advancement.

Report on

"Building Your Personal Brand During Your Internship"

[22/03/2023]

in Association with

Banchhor Infrastructure Pvt Ltd, Durg

The Training and Placement Cell of Chhatrapati Shivaji Institute of Technology had organized A One day workshop on 22th March 2023 – Building Your Personal Brand During Your Internship in collaboration with Banchhor Infrastructure Pvt Ltd at the campus. A total of 47 students took part in the workshop.

The Guest Speaker of the workshop was Rohit Banchhor. The workshop began with the inaugural session graced with the presence of Dr. Santosh Sharma Sir – Director CSIT, Mr. Sanjay Singh Sir- Dean Placement and Student Affairs.

The aim of the workshop "Building Your Personal Brand During Your Internship" is to empower participants to strategically develop and showcase their unique personal brand while undertaking internships. This workshop aims to provide attendees with insights and strategies to effectively communicate their strengths, values, and professional identity in the workplace. Through interactive sessions and practical exercises, participants will learn how to leverage their internship experiences to enhance their personal brand, including crafting a compelling elevator pitch, showcasing their skills and achievements, and building a professional online presence. Ultimately, the goal is to equip participants with the tools and confidence to cultivate a strong personal brand that differentiates them in the job market and sets them up for success in their future careers.

Outcome of the session :

By participating in the workshop "Building Your Personal Brand During Your Internship," attendees will emerge with a stronger understanding of how to strategically develop and promote their personal brand within a professional setting. They will have learned practical techniques for articulating their strengths, values, and professional identity effectively, both verbally and online. Through interactive exercises and real-world examples, participants will have honed their elevator pitch, learned how to showcase their skills and accomplishments, and gained insights into building a professional online presence. Ultimately, attendees will be

Report on

"Exploring the Fundamental Principles and Theories for Training Program"

[16/04/2022-21/04/2022]

in Association with

TCS – Youth Employment Programme, Indore

The Training and Placement Cell of Chhatrapati Shivaji Institute of Technology had organized A Six day workshop from 16th April 2022 to 21st April 2022 –Exploring the Fundamental Principles and Theories for Training Program in collaboration with TCS – Youth Employment Programme at the campus. A total of 76 students took part in the workshop.

The Guest Speaker of the workshop was Saksham Sharma. The workshop began with the inaugural session graced with the presence of Dr. Santosh Sharma Sir –Director CSIT, Mr. Sanjay Singh Sir- Dean Placement and Student Affairs.

The aim of the workshop "Exploring the Fundamental Principles and Theories for Training Program" could be multifaceted:

1. **Understanding Core Principles:** To delve into the foundational principles that underpin effective training programs, such as adult learning theory, instructional design models, and principles of behavior change.
2. **Theory Application:** To equip participants with the knowledge and skills to apply various theories (like cognitive, behavioral, and constructivist theories) to design and implement training programs tailored to different audiences and contexts.
3. **Enhancing Training Effectiveness:** To explore strategies for enhancing the effectiveness of training programs through evidence-based approaches grounded in psychological and educational theories.
4. **Critical Analysis:** To encourage participants to critically analyze existing training programs through the lens of theoretical frameworks, identifying strengths and areas for improvement.
5. **Practical Implementation:** To provide practical tools and techniques for translating theoretical knowledge into actionable strategies for developing, delivering, and evaluating training programs.

Outcome of the session :

The outcomes of the workshop "Exploring the Fundamental Principles and Theories for Training Program" could include:

1. **Enhanced Understanding:** Participants gain a deeper understanding of the fundamental principles and theories that inform effective training program design and implementation.
2. **Application Skills:** Participants develop the skills to apply theoretical concepts to real-world training scenarios, enabling them to design more tailored and impactful programs.
3. **Improved Program Design:** Participants can critically evaluate existing training programs and apply theoretical frameworks to enhance their design, resulting in programs that are more engaging, relevant, and effective.
4. **Increased Effectiveness:** Participants learn evidence-based strategies for enhancing the effectiveness of training programs, leading to improved learning outcomes and performance for trainees.
5. **Professional Development:** Participants enhance their professional development by acquiring new knowledge and skills that can be applied to their roles as trainers, educators, or learning and development professionals.
6. **Continuous Improvement:** Participants are equipped with tools and techniques for ongoing evaluation and improvement of training programs, fostering a culture of continuous learning and development within their organizations.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (the "MOU") is entered into on 4th day of March, 2022 (the "Effective Date"), by and between:

Sorting Hat Technologies Private Limited, a private company incorporated under the provisions of the Companies Act, 2013 bearing CIN U72200KA2015PTC082063 and having its registered office at Maruti Infotech Centre, 3rd Floor, A-Block, Domlur, Koramangala Inner Ring Road, Bangalore- 560 071, Karnataka, India (hereinafter referred to as "Unacademy", which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its legal representatives and permitted assigns) of the

FIRST PART;

AND

Chhatrapati Shivaji Institute of Technology with its campus at Durg, Chhattisgarh (hereinafter referred to as "College", which expression shall, unless repugnant to the meaning or context thereof, be deemed to include its legal representatives and permitted assigns) of the **SECOND PART;**

The Unacademy and the College shall thereafter, as the context may require, individually be referred to as a "Party" and collectively be referred to as the "Parties".

WHEREAS:

- i. The College is engaged in education to students across various domains.
- ii. The Parties wish to enter into a collaboration wherein Unacademy shall provide discounts on selected courses available on its platform, to the students of the College. The above-mentioned discounts are subject to fulfilment of terms of this MoU.
- iii. The College has represented and warranted to Unacademy that it has relevant authority, permit and licenses to fulfill its obligations under this MoU and based on the said representation and warranties, Unacademy has agreed to enter into this MoU with the College on a non-exclusive basis and the Parties have agreed to fulfill their obligations under this MoU.

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. OBLIGATIONS OF THE PARTIES

1.1. Obligations of College.

- 1.1.1. College shall organize the Event for students of the College. Date, time and duration of the Event shall be mutually decided between the Parties.
- 1.1.2. College will help us in driving enrollment to paid courses from the event. Minimum of 50 (fifty) students should opt for Unacademy's paid course for the

discounted prices to be applicable.

1.1.3. College shall facilitate and permit setting up of information desk during the Event.

1.1.4. College shall make sure that multiple announcements and reminders are sent to students regarding the date and time of the Event.

1.2. Unacademy's Obligations:

1.2.1. Unacademy will conduct one free seminar/webinar on Career Guidance / Placement Preparation/Entrance exam preparation ("Event") for students of the College.

1.2.2. Unacademy will offer 20% discount on select list of paid courses available on its platform to the students of the College if they enroll within 15 Days. The above-mentioned discount is applicable provided that there are a minimum of 50 students opting for Unacademy's paid course of 6 months or more duration. The discount is applicable only on the following courses:

- a) CAT
- b) GATE
- c) UPSC

2. TERM

2.1. This MoU shall commence upon the Effective Date, as stated above, and will continue until the completion of the Event.

3. TERMINATION & EFFECT OF TERMINATION

3.1. Termination at will: Either Party can terminate this MoU by giving the other Party a prior written notice of 7(seven) days with or without providing any reason for such termination.

3.2. Termination for Cause: In the event, College fails to fulfill its obligations under this MoU, Unacademy may terminate the MoU with immediate effect.

4. INDEMNITY

4.1. College hereby agrees to indemnify and save harmless Unacademy including, where applicable, its affiliates, directors, officers, employees and agents harmless from and against and agree to be liable for any and all losses, claims, actions, suits, proceedings, damages, liabilities or expenses of whatever nature or kind, incurred by the Indemnified Party that arises out of:

- a) breach of its obligations, covenants or representations and warranties under this MoU; or
- b) Violation of any applicable laws; or
- c) Infringement of any third-party intellectual property rights;

5. College and Unacademy agree that the information shared during the term of this MoU is confidential in nature and shall not disclose it with any third-party without prior written consent.

Report on

"Models For Training Evaluation, Internship Opportunity Tips/Strategies"

[02/05/2022]

in Association with

Sorting Hat Technologies Pvt Ltd, Bangalore, Unacademy

The Training and Placement Cell of Chhatrapati Shivaji Institute of Technology had organized a webinar on 2nd May 2022 – Models For Training Evaluation, Internship Opportunity Tips/Strategies in collaboration with Sorting Hat Technologies Pvt Ltd at the campus. A total of 93 students took part in the webinar.

The Guest Speaker of the webinar was Mr. Pramod Gopal. The webinar began with the inaugural session graced with the presence of Dr. Santosh Sharma Sir – Director CSIT, Mr. Sanjay Singh Sir – Dean Placement and Student Affairs.

The webinar aimed to equip participants with the knowledge and practical skills needed to evaluate training programs effectively using models such as Kirkpatrick's Four Levels and Phillips' ROI Methodology, while also providing strategies for securing and maximizing internship opportunities. Through comprehensive understanding of evaluation frameworks and practical tips for internship success, participants will learn to demonstrate training program effectiveness, make informed decisions for improvement, and navigate the internship process with confidence, ultimately enhancing their professional development and career prospects.

Outcome of the session :

The outcomes of the webinar "Models for Training Evaluation and Internship Opportunity Tips/Strategies" could include:

1. **Enhanced Evaluation Skills:** Participants gain a thorough understanding of various training evaluation models and frameworks, enabling them to effectively assess the impact and effectiveness of training programs.
2. **Improved Decision-making:** Participants are equipped with the tools and techniques to make informed decisions regarding the design, delivery, and improvement of training initiatives based on evaluation results.

Chhatrapati Shivaji Institute of Technology, Durg

Training & Placement Cell

3. **Increased Internship Success:** Participants acquire practical strategies for securing internship opportunities, including networking, resume crafting, and interview preparation, leading to increased chances of internship placement.
4. **Optimized Internship Experience:** Participants learn how to maximize their internship experiences by setting clear goals, seeking feedback, and building professional relationships, ultimately enhancing their learning and skill development.
5. **Career Advancement:** Participants leverage their enhanced evaluation skills and successful internship experiences to advance their careers, demonstrating their value as knowledgeable and competent professionals in their respective fields.
6. **Professional Development:** Participants engage in continuous professional development by gaining valuable insights and strategies for both training evaluation and internship success, contributing to their ongoing growth and success in their careers.
