Report on

"Role of Internship in Students Placement"

[01/02/2023-06/02/2023]

in Association with

Huawei ICT Academy, Gurgaon

The Training and Placement Cell of Chhatrapati Shivaji Institute of Technology had organized A Six day workshop from 01/02/2023 to 06/02/2023 – Role of Internship in Students Placement in collaboration with Huawei ICT Academy at the campus. A total of 74 students took part in the workshop.

The Guest Speaker of the workshop were Dheeraj Ghagre & Sandeep Rangari. The workshop began with the inaugural session graced with the presence of Dr. Santosh Sharma Sir – Director CSIT, Mr. Sanjay Singh Sir- Dean Placement and Student Affairs.

The aim of the workshop "Role of Internship in Student Placement" is to educate participants about the pivotal role internships play in enhancing students' employability and facilitating their successful placement in the job market. This workshop aims to provide insights into the benefits of internships, such as gaining practical experience, developing industry-specific skills, and building professional networks. Participants will also learn strategies for securing and maximizing internship opportunities, including resume crafting, interview preparation, and networking techniques. Ultimately, the goal is to empower participants with the knowledge and tools to leverage internships effectively as a pathway to securing meaningful employment post-graduation.

Outcome of the session :

By participating in the workshop "Role of Internship in Student Placement," attendees will gain a comprehensive understanding of the significant impact internships have on students' career prospects. They will recognize the importance of internships in acquiring practical skills, expanding professional networks, and enhancing employability. Armed with strategies for securing and making the most of internship opportunities, participants will be better equipped to navigate the transition from academia to the workforce, ultimately increasing their chances of securing fulfilling employment upon graduation.

in Association with

Aarvi Electromech, Himachal Pradesh

The Training and Placement Cell of Chhatrapati Shivaji Institute of Technology had organized A One day workshop on 31st Jan 2023 – Helping Students Clarify their Career goals and identify their strengths in collaboration with AARVI ELECTROMECH at the campus. A total of 62 students took part in the workshop.

The Guest Speaker of the workshop was Parul Chawda. The workshop began with the inaugural session graced with the presence of Dr. Santosh Sharma Sir – Director CSIT, Mr. Sanjay Singh Sir- Dean Placement and Student Affairs.

The aim of the workshop "Helping Students Clarify their Career Goals and Identify their Strengths" is to assist participants in gaining clarity about their career aspirations and recognizing their unique strengths. Through interactive exercises and guided self-reflection, this workshop aims to help students explore their interests, values, and skills to align them with potential career paths. By providing tools and techniques for self-assessment and goal setting, the workshop aims to empower students to make informed decisions about their future career directions. Ultimately, the goal is to support students in developing a clear vision for their careers and leveraging their strengths to achieve their professional goals.

Outcome of the session :

By engaging in the workshop "Helping Students Clarify their Career Goals and Identify their Strengths," participants will emerge with a deeper understanding of their career aspirations and personal strengths. Through guided self-reflection and practical exercises, students will gain clarity about their interests, values, and skills, enabling them to align these with potential career paths. Equipped with tools for self-assessment and goal setting, attendees will be better prepared to make informed decisions about their future careers. Ultimately, the workshop aims to empower students to confidently pursue their professional goals by leveraging their strengths and aligning them with their career aspirations.

- 10.2. Each party hereby undertakes to inform the other party of any violation of Intellectual Property Rights or its unlawful use, under prevalent laws of India. Further, each of the party herein, agrees to co-operate with the other to the extent possible in the process of investigating such cases of any violation of Intellectual Property Rights or its unlawful use and taking legal action against the said infringement.
- 10.3. Upon expiration of this MoU, or two years period of time from the date of completion of the courses, whichever is later, each party hereby agrees that it shall not make any claim on the Trade Name or the copyrights of the other, which belongs exclusively to the other party, nor shall either party use any trade name which is deceptively or confusingly similar to the trade name of the other.
- 11. Force Majeure:**
- 11.1. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.
- 11.2. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

Report on

“Overview of In-Demand Technical Skills in Various Industries Demand Technical Skills in Various Industries”

[20/02/2023]

in Association with

“SHRIRAM VALUE SERVICES (P) LTD., CHENNAI”

The Training and Placement Cell of Chhatrapati Shivaji Institute of Technology had organized an One day workshop on **Overview of In-Demand Technical Skills in Various Industries** in collaboration with **SHRIRAM VALUE SERVICES (P) LTD., CHENNAI** at the campus. A total of 98 students took part in the workshop.

The Guest Speaker of the workshop was Mr. Ajay Phagadiya. The workshop began with the inaugural session graced with the presence of Dr. Santosh Sharma Sir –Director CSIT, Mr. Sanjay Singh Sir- Dean Placement and Student Affairs.

The aim of workshop In-demand technical skills vary across industries, but commonly sought-after skills include programming languages like Python and Java, data analysis and visualization skills, cloud computing expertise, cyber security knowledge, and proficiency in machine learning and artificial intelligence. These skills are essential for industries such as IT, finance, healthcare, and manufacturing.

Mr. Ajay Phagadiya explained the students the importance of In-demand technical skills such as programming, data analysis, cyber security, and artificial intelligence are crucial in various industries due to the increasing reliance on technology and digital transformation. These skills help organizations improve efficiency, make data-driven decisions, enhance cyber security measures, and stay competitive in the market.

Outcome of the session:

In-demand technical skills vary across industries. For example, software development requires proficiency in programming languages such as Java or Python, while cyber security demands expertise in network security and threat detection. Data science relies on skills in data analysis and machine learning, and cloud computing requires knowledge of platforms like AWS or Azure.

Memorandum of Understanding

This Memorandum of Understanding is entered on 01st August 2022 by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "Edunet"); and,

Chhatrapati Shivaji Institute of Technology, Durg having its address **Shivaji Nagar, Balod Road, Kolihapuri, Post – Pisegaon, Durg, Chhattisgarh 491001** (Hereinafter referred to as "CSIT Durg").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the Skills Build (www.skillsbuild.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	1999
Recognition, NAAC rating, ranking:	AICTE, New Delhi NAAC Rating - B+
Vision:	To Nurture world-class intellectual growth by Imparting High Quality, Futuristic Technical Education to Emerge as one of the Best Technical Institutes, to serve the Mankind.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called "MOU") witnesses the following.

- Term and termination:** This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.
- Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.
- Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local

underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected second years. The SIE chapter will have members from within the local student community who are willing contribute some time towards betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.

6. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.
7. **Responsibilities of Edunet and/or its program sponsors/partners:**
 - a. **Orientation sessions:** Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
 - b. **Program materials:** Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
 - c. **Face to face, instructor led sessions:** For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
 - d. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
 - e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
 - f. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
 - g. **Assessments:** Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
 - h. **For programs with career paths:** Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classrooms sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
 - i. **SIE support:** Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
 - j. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)
8. **Responsibilities of Institution:**
 - a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by Edunet.
 - b. **Support with orientation sessions:** Institute will support Edunet conduct orientation sessions for all stakeholders.
 - c. **Publication of program calendars and goals:** Institute will publish, on a quarterly basis, a program calendar for all its participants.
 - d. **Support with computers labs and classrooms:** Institute will make its labs available to learners. It will make classrooms and/or audio-visual equipment available for face to face sessions, whenever required.
 - e. **Support with attendance:** Institute will ensure that program participants enthusiastically

The workshop aim of collaboration in research is to enhance knowledge generation and innovation by leveraging diverse expertise, perspectives, and resources. Collaborative research fosters interdisciplinary approaches, accelerates progress, and increases the impact of findings. It promotes collective problem-solving and supports the development of comprehensive and robust scientific solutions.

Mr. Animesh Tiwari explained the students the importance Collaboration in research is crucial for advancing knowledge and addressing complex challenges. It allows researchers to combine diverse skills, perspectives, and resources, leading to innovative solutions. Collaborative efforts enhance scientific rigor, promote interdisciplinary approaches, and increase the impact and relevance of research outcomes for society.

Outcome of the session:

The outcome of collaboration in research includes increased scientific innovation, knowledge advancement, and problem-solving capabilities. Collaborative efforts lead to interdisciplinary insights, robust methodologies, and enhanced research outcomes. They foster stronger networks, promote knowledge sharing, and contribute to the development of impactful and applicable solutions to complex problems.

Report on

“Collaborative Research Proposals”

[01/09/2022]

in Association with

SK DEEP TECH PVT. LTD., HYDERABAD

The Training and Placement Cell of Chhatrapati Shivaji Institute of Technology had organized an One day workshop on **Collaborative Research Proposals** in collaboration with **SK DEEP TECH PVT. LTD., HYDERABAD** at the campus. A total of 102 students took part in the workshop.

The Guest Speaker of the workshop was Mr. Shivaji. The workshop began with the inaugural session graced with the presence of Dr. Santosh Sharma Sir –Director CSIT, Mr. Sanjay Singh Sir- Dean Placement and Student Affairs.

The aim of the workshop on “Collaborative Research Proposals” is to guide participants in developing effective strategies for collaborative research projects and crafting compelling proposals that attract funding and support. Throughout the workshop, participants will learn key principles and best practices for successful collaboration, including effective communication, team dynamics, and division of tasks. Additionally, they will gain insights into the components of a strong research proposal, such as clear research questions, innovative methodologies, and feasible timelines and budgets. By the end of the workshop, participants should have a deeper understanding of how to identify potential collaborators, leverage complementary expertise, and align their research goals with funding priorities. They will be equipped with practical tools and resources to enhance their collaborative research endeavors and increase their chances of securing funding and achieving impactful research outcomes.

Outcome of the session:

The outcome of a workshop on collaborative research proposals involves refining research ideas through discussions and feedback, identifying potential collaborators, developing proposal frameworks, receiving peer review feedback, and creating action plans for finalizing and submitting proposals. The aim is to enhance proposal quality, foster interdisciplinary collaboration, and increase funding opportunities for innovative research projects.

SWADES agrees to ensure that its directors, officers, employees and agents have adequate understanding of the applicable anti-corruption laws. In case SWADES does not abide with any of the above-mentioned obligations, then Samsung reserves the right to terminate this Agreement after giving sufficient opportunity of hearing to SWADES, in addition to any other remedies available to it in law and/or in equity.

C. Contractual Obligations

- a. SWADES shall transfer the funds under this MoU to the CSIT as per Annexure 2.
- b. The funds disbursements shall be made in Indian Rupees.
- c. Utilization certificate if required will be submitted to SWADES for the amounts released prior to request for the next installment. A consolidated utilization certificate, duly certified by the Chartered Accountant will be submitted to SWADES at the completion of the training program.
- d. In the event of excess release of funds to the Project, SWADES is entitled to receive unutilized funds from the CSIT for such excess disbursements.
- e. CSIT will submit to SWADES the statement of expenditure of funds, if required.

D. Reports

- a. TPs shall submit weekly and monthly progress report of the Project to SWADES.
- b. Final Comprehensive Completion Report of the Training will be submitted to SWADES within 2 (two) months of completion of the training. A report clearly indicating activities undertaken and objectives attained and details of the number of beneficiaries under the Project providing their names, age, sex, location & contact details would be required to be submitted to SWADES.

E. AUDIT

1. Training partner undertakes and represents that the amount disbursed by SWADES shall be utilized only towards the purpose as said above and for no other activity.
2. Samsung and SWADES along with SWADES nominated agencies shall be entitled to monitor the various centers and their authorized representative may undertake planned / surprise visit to inspect the progress of the Project and ensure proper implementation of the same.

Estd. 1999

3. SWADES shall be entitled to seek clarifications/information of any kind whatsoever from the Training partner with respect to Project. Any such clarifications/information sought by Samsung and SWADES shall be responded by the Training Partner within 5 (Five) working days.
4. Samsung and SWADES shall, at their respective discretion, undertake inspection/evaluation of the impact/progress of the Project. Such inspection shall be carried out anytime during the tenure of the Project. Training Partners shall, as and when required, provide SWADES and Samsung representative(s) reasonable cooperation and access to their records for such inspection carried out in connection with this MoU.
5. Training partner shall upon receipt of prior notice, permit and make suitable arrangements for Samsung's and SWADES's representatives, at such intervals as SWADES may determine for smooth and successful completion of the project, to visit and inspect the site where the training is being imparted by the Training Partner under the Project, the skill development training assets to carry out technical inspections of the Training Partners.
6. Parties herein confirm that all information provided to other Party or its representatives, in connection with the Project, whether before or after the execution of this MoU, by or on behalf of that Party is true, correct and complete in all respects on the date thereof and is not false or misleading in any respect nor incomplete by omitting to state any fact necessary to make such information not misleading in any respect.

F. Commercial Terms & Conditions

Please refer Annexure 2; Remuneration will be credited to faculty and coordinator accounts directly from SWADES.

G. Governing Law and Dispute Resolution

This Agreement shall be governed by and constructed in accordance with the laws of India

- i. The Parties shall attempt to amicably settle all disputes arising out of this Agreement and the obligations hereunder ("Dispute"). Either Party may give written notice of a dispute to the other Party within (10) days of the occurrence of the event which gives rise to such dispute or the date such event comes to the notice of the applicable party. Any dispute between SWADES and the Training Partner in connection with this Agreement shall be referred to the designated officials of SWADES and the Training Partner for mutual discussions and negotiations.
- ii. If no settlement can be reached through mutual discussions and negotiations within [15 days] of either SWADES or the Training Partner delivering a notice

of the dispute to the other Party, then such matter shall be finally settled by arbitration in accordance with the provisions of Arbitration & Conciliation Act, 1996 or any other statutory amendments or modifications thereof ("Arbitration Act"). If both the parties cannot agree on a common arbitrator within 30 (Thirty) days of receiving the notice for arbitration by either party from the other party, then either party can approach the Court, by way of filing a petition under section 11 of the Arbitration Act and seek appointment of a neutral person to preside over as the Arbitrator. With respect to such arbitration, the following provisions shall apply:

- a. The arbitration proceedings shall be conducted in English;
- b. The place of arbitration shall be [Delhi];
- c. In respect of matters where a reference to the courts is permitted by the Arbitration Act, the courts at [Delhi] shall have exclusive jurisdiction;
- d. The costs of arbitration shall be borne as determined in the arbitration award; and
- e. The decision of the arbitrator(s) shall be final and binding on the Parties.

H. Indemnity Clause

Notwithstanding anything stated herein or elsewhere to the contrary, any defaulting party shall indemnify and hold harmless the other parties and their directors, officers, agents and employees in full from and against all claims, damages, losses (including, without limitation, loss of profit), and expenses including attorneys' fees arising out of or resulting from the breach of confidentiality, non-compliance, infringement of any Intellectual Property Rights, third party intellectual property rights claims, omissions or delay in any of the terms and conditions of this Project. Without prejudice to Samsung's indemnity obligations hereunder, if SWADES fails to compensate Samsung with respect to the expenses and liabilities suffered or incurred by Samsung under this provision, in such an event, Samsung shall be entitled to set off such expenses from any dues payable to SWADES after providing written explanation thereof.

Training Partner hereby agrees jointly and severally to indemnify SWADES representatives and administrators on account of any losses arising due to fault of TP.

Similarly, SWADES shall be liable to indemnify/Compensate the Training Partner/ Centre on account of any losses arising due to fault of SWADES.
