The Training and Placement Department of CSIT Durg held a Mind Body Connection Workshop on December 1, 2018. Conducted by Mr. Rajeev Nair, an expert in holistic wellness, the session was attended by 98 engineering students. The workshop focused on strengthening the connection between mental and physical health through techniques that enhance mindfulness, stress management, and overall well-being. Activities included guided meditations, physical exercises, and discussions on integrating mindfulness into daily life. Positive feedback from students highlighted an improved sense of mental clarity and physical energy, affirming the workshop's success in fostering personal and professional growth.

Participants :	<i>67 Engineering Students</i>

The Training and Placement Department at CSIT Durg organized a Coding for Beginners Training Program on September 15, 2018. Led by Mr. Kranti Jain, an expert in programming, the session was held in Computer Lab 10 and Lab 5 with 67 engineering students participating. The program introduced fundamental coding concepts and practical coding exercises designed to foster problem-solving skills and enhance logical thinking. Students engaged enthusiastically, gaining hands-on experience in writing basic code. Feedback highlighted the session's effectiveness in boosting confidence in coding, which is vital for their academic and future career prospects.

Report

Name of Activity:	<i>ICT and Computing Skills Training Program</i>
Date / Duration :	<i>15/4/2019, 04:00 to 05:30 PM</i>
Organized by :	<i>Training and Placement Department, CSIT Durg</i>
Participants :	<i>78 Engineering Students</i>

The Training and Placement Department of CSIT Durg hosted a Cyber security Awareness Training on April 15, 2019. Conducted by the knowledgeable **Mr. Kranti Jain**, the program was held in Vivekananda Hall, attracting 78 engineering students. The session focused on essential strategies to safeguard digital presence, covering topics such as secure password practices, recognizing phishing attempts, and the importance of regular software updates. Students actively participated in interactive scenarios that simulated common security breaches, enhancing their understanding of digital threats. The training successfully raised awareness about cyber security, crucial for their personal and professional digital interactions.
