Minutes:

- The IQAC Coordinator welcomed and introduced the members to the forum. The Principal welcomed the members to the IQAC and anticipated their cooperation to enhance the academic quality of the Institute.
- The IQAC Coordinator communicated the Agenda to the forum. The Principal consented it to be adopted for discussion.

i. Summary of the activities of the previous academic year.

a. Result analysis

The HoDs presented the Results of the I, III, V and VII semesters. The results of the First Semester were presented by the First Year Coordinator. The Principal shared his concerns over the failures. The HoDs were instructed to design plan of action for the slow-learners/failures. They should organize extra classes or remedial classes.

b. Co-curricular activities

The HoDs presented about the various co-curricular activities organized by

//3//

them. The documents concerning the activities are with the department. The Principal asked the departments to submit a copy of the same to the IQAC too.

c. NSS achievements

The Program Officer apprised that the NSS camp couldn't be organized in 2023-24 as the permission wasn't granted by the management due to certain managerial reasons. However, other outreach programmes were conducted.

d. Placement

Dean (Placement and Student Affairs) presented the report on the Training and Placement activities. Students got a chance to participate in Forty Nine companies. The highest package offered in the year 2023-24 as of the date is Rs. 7.25 LPA. The total placement in the year is above seventy percentages, with 85 students placed. Average pay package was Rs. 3.8 LPA.

e. Research and Development

The Dean (RI and P) apprised that the no new startups were launched however the old ones are functioning well. IIC has received "Two Star" at national level. The Principal asked all the HoDs to instruct the faculty members to write research papers and work for patenting.

f. Departmental reviews

The Head of the departments presented their academic achievements. The academic audit for all the departments were carried out.

ii. Introduction of new value-added courses.

The Principal sir told that this year too each department will launch at least two VAC that should be addressing to the knowledge and skill enhancement. The content of the VAC should be matching with the syllabus of CSVTU.

iii. Organizing of conference in the session 24-25

The IQAC Coordinator raised the issue that the Institute needs to organize National Conference. This shall boost the R&D activities. Principal Sir asked IQAC and Dean (R,I&P) to initiate process with management and produce a plan with Budget.

iv. Workshop for students for enhancement of skills.

It was unanimously decided that the culture of organizing workshops is helping the students a lot. The TPO had organized workshops on recruitment and the Department of CSE organised workshops on the concerning topic.

v. Collaboration with the nearby institutes for FDPS & academics.

All the Heads, Deans and the college administration must try to explore the

//4//

possibility to have MoUs with the industries and other organizations to facilitate partnerships for various purposes, including research projects, internships, student and faculty exchange programs, and skill development initiatives.

The Coordinator of IQAC reported that one MoUs meant for medical facility, is active with a nursing college. The same MoUs needs permission for renewal/extension. The Principal granted immediate consent to renew the proposal

vi. Updations about NAAC Accreditation process.

The Coordinator of the IQAC informed that the SSR has been submitted in the month of May and we are yet to get any signal from the NAAC due to long pending end at their end.

vii. Preparations for the peer team visit.

The Peer Team for NAAC will be arriving in this academic session. The dates are yet to be confirmed. All the members of the institute are required to remain prepared. The HoDs should ensure up keeping and availability of required documents at labs and departments.

viii. Review of CT, Assignments & TA Award policy

The Principal informed that the CT Policy has been shared with the Hods. HoDs to Communicate the CT Policy to students and clearly that CT Marks are very important

ix. Enhancing IT Facilities for Teaching-learning process

The up gradation of ICT facilities at the CSIT was discussed in detail in the meeting. Following resolutions were passed:

- a. a smart classroom will be made.
- b. wifi connectivity to be boosted to 300mbps
- c. proposal for procuring new computer systems with i5/i7 generation shall be procured.
- d. Old computer systems to be written off.

x. Departmental Co-curricular activities like – Guest Lectures/ Add-on Courses / Industrial visit/ workshop.

The Principal and the IQAC Coordinator released the institute academic calendar and announced the commencement dates of the classes. The forum was apprised that the University Academic calendar has been declared.

xi. Commencement of new academic Session & final year classes (VII sem)

The classes for Semester III, V and VII will commence from 2 September, 27
