Sub : DELNET Resources and Services

Dear Sir/Madam,

We take pleasure in informing you that DELNET has just made functional on January 26, 2020 an advanced high speed server for its online services for member-libraries. The link to Discovery Portal remains the same on the website of DELNET i.e. at www.delnet.in

Kindly note that the IP of the DELNET new online server is <http://164.100.247.26> instead of the old server IP <http://164.100.247.30>

We are appreciative of the fact that your institutional library is a member of DELNET which networks nearly 6800 Institutional Libraries in India and are utilising its resources and services. Over the years DELNET information resources have increased manifold and it would be ideal for your library users to have effective access to these resources.

In order to serve the member-libraries better, we would like to bring to your kind attention the following:

1. A link to "DELNET Discovery Portal" <http://164.100.247.26> providing access to 3.5 crore records of member-libraries may kindly be created on your library/institutional website so that more and more students, faculty, researchers and scholars can make use of the resources and services.
2. A link to "DELNET Knowledge Gainer Portal" <http://164.100.247.28> may kindly be provided on your library/institutional website for accessing more than 1 crore full-text e-books, e-journals, e-articles, etc.
3. You are requested to send us the library records of books, articles, etc. created in a database in your Library for merging into the DELNET union catalogues. You will appreciate that the level of resource sharing can enhance only if the records of all libraries are merged regularly from time to time.
4. As a backup copy of contributed records of your library becomes available with DELNET, in case of any crisis like software failure at your end, the backup copy of records can always be taken by your Institution from DELNET.
5. The accreditation bodies like NAAC also want the libraries of academic, technical and research institutions to have resource sharing facilities in their libraries including access to information resources of a library network; facility to borrow on loan documents from other libraries; have linkages with other libraries and have access to digital repositories of articles, books, etc.
6. DELNET offers DELPLUS Software free of charge to member-libraries. The software has necessary modules including Cataloguing, Circulation, Acquisition, OPAC, Report Generation, etc. The bar-coding can also be done using the software. It can be installed remotely using Teamviewer.

For any assistance, you are requested to contact Dr. Sangeeta Kaul, Network Manager, DELNET, New Delhi at Mobile: 09810329992, Email: sangskaul2003@yahoo.co.in, sangs@delnet.ren.nic.in or Mr. Sanjeev Kumar Sinha, Associate Technical Services, DELNET, Email: sks@delnet.ren.nic.in Tel:011-26742222, 26741266.

Looking forward to hearing from you.

Thanking you,

Yours faithfully,
