To,

The Director,

Chhatrapati Shivaji Institute of Technology,

Durg, Chhattisgarh

Subject: Permission for conducting Online Workshop on Current Affairs.

Respected Sir,

The Training and Placement Office wishes to organize a Workshop for the students of Final Year for different departments.

It is humbly requested to grant us permission for conducting "Workshop on Current Affairs" for Final Year Engineering Students, as mentioned below:

Name of Activity	Date	Venue	Timing	Students
Workshop on Current Affairs	31/07/2020	Online	3:30 P.M. TO 5:30 P.M.	33 NOS.

Looking forward for your kind consideration and permission please.

Thanks and Regards

Yours faithfully

Workshop Report

Current Affairs Workshop for Final Year Engineering Students

Introduction:

A Online workshop on "Current Affairs" was conducted on 31st July 2020 for the final year engineering students of Chhatrapati Shivaji Institute of Technology, Durg. The workshop aimed to enhance students' awareness and understanding of ongoing events and developments across various domains pertinent to their academic and professional interests.

Workshop Details:

The workshop commenced at 3:30 PM with an opening address by the workshop coordinator, highlighting the significance of staying informed about current affairs in today's fast-paced world. The agenda for the workshop was outlined, emphasizing the importance of diverse perspectives and critical thinking in understanding contemporary issues.

The workshop sessions were structured to cover various aspects of current affairs, including:

National and International News Analysis: An overview of recent events and developments both within the country and globally, with a focus on their implications on engineering and technology sectors.

Technological Innovations and Trends: Discussion on emerging technologies, breakthroughs, and trends shaping the future of engineering fields, such as AI, renewable energy, block chain, etc.

Economic Updates: Insights into economic policies, market trends, and their impact on industries relevant to engineering graduates.

Environmental and Social Issues: Exploration of environmental challenges, sustainable development goals, and societal issues relevant to engineers' roles and responsibilities.

Interactive Sessions and Q&A: Engaging discussions and interactive sessions were conducted throughout the workshop to encourage active participation and exchange of ideas among the students. A dedicated Q&A session provided students with the opportunity to seek clarification on specific topics and share their viewpoints.

Estd. 1999

Chhatrapati Shivaji Institute of Technology

Approved by: AICTE, New Delhi | Affiliated to CSVTU, Bhilai

Conclusion:

The workshop concluded at 5:30 PM with closing remarks from the workshop coordinator, emphasizing the importance of regularly engaging with current affairs for personal and professional growth. Feedback was collected from the participants to assess the effectiveness of the workshop and gather suggestions for future sessions.

Overall, the workshop was successful in achieving its objectives of fostering a deeper understanding of current affairs among final year engineering students, equipping them with valuable insights and knowledge to navigate the dynamic landscape of the modern world.

Report

Competitive Exam Trends Seminar for Final Year Engineering Students

Introduction:

A webinar focusing on "Competitive Exam Trends" was conducted on 7th August 2020 for the final year engineering students of Chhatrapati Shivaji Institute of Technology, Durg. The seminar aimed to provide students with insights into the evolving trends and strategies related to competitive exams, particularly those relevant to engineering graduates.

Seminar Details:

The webinar commenced at 3:30 PM with an opening address by the coordinator, highlighting the significance of competitive exams in shaping students' career paths, especially in the field of engineering. The agenda for the webinar was outlined, focusing on the latest trends, preparation strategies, and resources for various competitive exams.

The webinar sessions were structured to cover the following key aspects:

Overview of Competitive Exams: An overview of popular competitive exams relevant to engineering graduates, including GATE, GRE, CAT, UPSC ESE, etc., along with their eligibility criteria, exam patterns, and significance in higher education and job placements.

Trends and Changes in Exam Patterns: Discussion on recent trends, changes, and updates in the exam patterns, syllabi, and evaluation criteria of major competitive exams, enabling students to align their preparation strategies accordingly.

Effective Preparation Strategies: Insights into effective preparation strategies, time management techniques, and best practices for maximizing performance in competitive exams, based on the experiences of successful candidates and expert recommendations.

Resource Guidance: Recommendations on reliable study materials, reference books, online resources, and coaching institutes for comprehensive preparation for competitive exams, tailored to the specific requirements and preferences of engineering students.

Interactive Discussions and Q&A: Engaging discussions and interactive sessions were conducted throughout the seminar, allowing students to seek guidance, clarify doubts, and share their experiences and insights related to competitive exam preparation.

The webinar concluded at 5:30 PM with closing remarks from the webinar coordinator, encouraging students to embark on their competitive exam preparation journeys with confidence and determination. Feedback was collected from the participants to assess the effectiveness of the seminar and gather suggestions for future sessions.

Overall, the webinar served as a valuable platform for final year engineering students to gain valuable insights and guidance on navigating the competitive exam landscape, empowering them to pursue their academic and career aspirations effectively.

Report

Emerging Job Trends and Future Skills

Introduction:

A webinar focusing on "Emerging Job Trends and Future Skills" was conducted on 12th September 2020 for the final year engineering students of Chhatrapati Shivaji Institute of Technology, Durg. The seminar aimed to provide students with insights into the evolving job market landscape and the skills required to thrive in future professional environments.

Participants:

A total of 28 students attended the seminar, representing various departments of engineering within the institute.

Webinar Details:

The webinar commenced at 12:30 PM with an opening address by the seminar coordinator, emphasizing the importance of staying abreast of emerging job trends and acquiring future-ready skills in today's rapidly evolving job market. The agenda for the seminar was outlined, focusing on identifying emerging job sectors and discussing the skills required to excel in these domains.

The seminar sessions were structured to cover the following key aspects:

Overview of Emerging Job Trends: An overview of emerging job sectors and industries, including information technology, renewable energy, healthcare, artificial intelligence, etc., with a focus on the demand for engineering graduates and the potential career opportunities available.

Future Skills and Competencies: Discussion on the key skills and competencies expected to be in demand in the future job market, such as critical thinking, problem-solving, adaptability, digital literacy, communication skills, etc., and strategies for acquiring and honing these skills.

Industry Insights and Expert Perspectives: Insights from industry experts and professionals regarding the evolving job market landscape, current hiring trends, and the skills and attributes sought after by employers in prospective candidates.

Career Guidance and Development: Guidance on career planning, skill development initiatives, internships, and certification programs aimed at enhancing students' employability and preparing them for successful careers in emerging job sectors.

Estd. 1999

Chhatrapati Shivaji Institute of Technology

Approved by: AICTE, New Delhi | Affiliated to CSVTU, Bhilai

Interactive Discussions and Q&A: Engaging discussions and interactive sessions were conducted throughout the seminar, allowing students to share their thoughts, ask questions, and seek clarification on various aspects of emerging job trends and future skills.

Conclusion:

The webinar concluded at 2:00 PM with closing remarks from the webinar coordinator, encouraging students to proactively explore opportunities in emerging job sectors and invest in developing the skills necessary to succeed in future professional environments. Feedback was collected from the participants to evaluate the effectiveness of the seminar and gather suggestions for future sessions.

Overall, the webinar provided valuable insights and guidance to final year engineering students, empowering them to make informed decisions about their career paths and equipping them with the skills required to thrive in the ever-changing job market landscape.

Report

Resume Writing and Interview Skills

Introduction:

A workshop focusing on "Resume Writing and Interview Skills" was conducted on 19th September 2020 for the final year engineering students of Chhatrapati Shivaji Institute of Technology, Durg. The workshop aimed to equip students with essential knowledge and techniques for crafting effective resumes and enhancing their interview skills to secure employment opportunities.

Workshop Details:

The workshop commenced at 12:30 PM with an opening address by the workshop coordinator, emphasizing the importance of a well-crafted resume and polished interview skills in the job application process. The agenda for the workshop was outlined, focusing on key components of resume writing and interview preparation.

The workshop sessions were structured to cover the following key aspects:

Resume Writing Essentials: Guidance on structuring a professional resume, including formatting, content organization, and the inclusion of relevant information such as education, skills, work experience, projects, certifications, and achievements.

Tailoring Resumes to Job Descriptions: Strategies for customizing resumes to align with specific job requirements and highlight relevant skills and experiences, thereby increasing the chances of getting noticed by potential employers.

Interview Preparation Techniques: Tips and techniques for effective interview preparation, including researching the company, practicing common interview questions, showcasing strengths and accomplishments, and demonstrating enthusiasm and professionalism.

Mock Interviews and Feedback: Conducting mock interviews to simulate real-life interview scenarios and provide students with an opportunity to practice their interview skills. Constructive feedback was provided to help students identify areas for improvement and refine their interview techniques.

Interactive Discussions and Q&A: Engaging discussions and interactive sessions were conducted throughout the workshop, allowing students to ask questions, share their experiences, and seek guidance on resume writing and interview preparation.

Estd. 1999

Chhatrapati Shivaji Institute of Technology

Approved by: AICTE, New Delhi | Affiliated to CSVTU, Bhilai

Conclusion:

The online workshop concluded at 2:00 PM with closing remarks from the workshop coordinator, encouraging students to apply the knowledge and skills gained during the workshop to enhance their job search and interview success. Feedback was collected from the participants to evaluate the effectiveness of the workshop and gather suggestions for future sessions.

Overall, the online workshop proved to be a valuable learning experience for final year engineering students, empowering them with the tools and techniques necessary to create impactful resumes and excel in job interviews, thus enhancing their employability prospects in the competitive job market.

Report

Aptitude Class for Final Year Engineering Students

Introduction:

A one-day online session focusing on "Aptitude" was conducted on 24th April 2021 for the final year engineering students of Chhatrapati Shivaji Institute of Technology, Durg. The session aimed to enhance students' quantitative and reasoning abilities, which are crucial for success in various competitive exams and job interviews.

Participants:

A total of 130 students attended the session, demonstrating significant interest and participation from across different departments of engineering within the institute.

Session Details:

The one-day online session commenced at 10:00 AM with an opening address by the session coordinator, emphasizing the importance of aptitude skills in academic and professional pursuits. The agenda for the session was outlined, focusing on fundamental concepts, problem-solving techniques, and practical tips for mastering aptitude tests.

The online session comprised the following key components:

Quantitative Aptitude Concepts: Explanation and demonstration of essential concepts in quantitative aptitude, including arithmetic, algebra, geometry, and data interpretation. Emphasis was placed on understanding the underlying principles and applying them to solve problems efficiently.

Practice Exercises and Problem Solving: Interactive practice sessions were conducted, featuring a variety of aptitude questions from previous exams and sample tests. Students were encouraged to solve problems individually and participate in group discussions to enhance their problem-solving skills.

Time Management Techniques: Guidance on effective time management strategies for aptitude tests, including prioritizing questions, managing time constraints, and maintaining focus and concentration during the exam.

Feedback and Assessment: Continuous feedback and assessment were provided throughout the session to monitor students' progress and address any challenges or difficulties encountered. Opportunities for self-assessment and peer evaluation were also incorporated to encourage active participation and learning.

Conclusion:

The one-day online session concluded at 2:00 PM with closing remarks from the session coordinator, encouraging students to continue practicing and honing their aptitude skills to achieve success in competitive exams and job interviews. Feedback was collected from the participants to evaluate the effectiveness of the session and gather suggestions for future workshops or sessions.

Overall, the session proved to be highly beneficial for final year engineering students, equipping them with valuable aptitude skills and strategies essential for their academic and professional advancement.

Report

Reasoning Class for Final Year Engineering Students

Introduction:

A one-day session focusing on "Reasoning" was conducted on 7th May 2021 for the final year engineering students of Chhatrapati Shivaji Institute of Technology, Durg. The session aimed to enhance students' logical and analytical reasoning abilities, which are essential for various competitive exams and problem-solving tasks in the engineering field.

Session Details:

The one-day session commenced at 10:00 AM with an opening address by the session coordinator, highlighting the importance of reasoning skills in academic and professional contexts. The agenda for the session was outlined, focusing on fundamental concepts, problem-solving techniques, and practical strategies for mastering reasoning tasks.

The session comprised the following key components:

Logical Reasoning Concepts: Explanation and demonstration of essential concepts in logical reasoning, including deductive reasoning, inductive reasoning, syllogisms, logical puzzles, and critical thinking. Emphasis was placed on understanding logical principles and applying them to solve problems effectively.

Analytical Reasoning Techniques: Training on various types of analytical reasoning questions, such as seating arrangement, blood relations, coding-decoding, and series completion. Strategies for identifying patterns, making logical deductions, and drawing conclusions were discussed.

Practice Exercises and Problem Solving: Interactive practice sessions were conducted, featuring a variety of reasoning questions from previous exams and sample tests. Students were encouraged to solve problems individually and collaborate in group discussions to enhance their problem-solving skills.

Time Management Strategies: Guidance on effective time management techniques for reasoning tasks, including prioritizing questions, managing time constraints, and maintaining focus and concentration during problem-solving activities.

Feedback and Assessment: Continuous feedback and assessment were provided throughout the session to monitor students' progress and address any challenges or difficulties encountered. Opportunities for self-assessment and peer evaluation were also incorporated to foster a collaborative learning environment.

Conclusion:

The one-day session concluded at 2:00 PM with closing remarks from the session coordinator, encouraging students to continue practicing and refining their reasoning skills to excel in competitive exams and real-world problem-solving scenarios. Feedback was collected from the participants to evaluate the effectiveness of the session and gather suggestions for future workshops or sessions.

Overall, the session proved to be highly beneficial for final year engineering students, equipping them with valuable reasoning abilities and strategies essential for their academic and professional success.

To,
The Director,
Chhatrapati Shivaji Institute of Technology,
Durg, Chhattisgarh

Subject: Permission for conducting Online Session on Group Discussion.

Respected Sir,

The Training and Placement Office wishes to organize One day Session for the students of Final Year for different departments.

It is humbly requested to grant us permission for conducting a Session on "Group Discussion" for Final Year Engineering Students, as mentioned below:

Name of Activity	Date	Venue	Timing	Students
Online Session – Group Discussion	29/05/2021	Online	10:00 A.M. TO 2:00 P.M.	130 NOS.

Looking forward for your kind consideration and permission please.

Thanks and Regards

Yours faithfully

Prof. Sanjay Kumar Singh

Notice

All The students of Final Year are hereby informed that a Session on Group Discussion is going to be conducted as per given details.

Name of Activity: Session on Group Discussion.

Date: 29 May 2021

Venue: Online

Timing: 10:00 to 02:00 PM

Target Audience: Final Year Students

This session aims to enhance your interpersonal skills, which are crucial for personal and professional development. We encourage all eligible students to actively participate and make the most out of this opportunity.

Report

Group Discussion for Final Year Engineering Students

Introduction:

A one-day session focusing on "Group Discussion" was conducted on 29th May 2021 for the final year engineering students of Chhatrapati Shivaji Institute of Technology, Durg. The session aimed to enhance students' communication, teamwork, and critical thinking skills, which are essential for succeeding in group discussion rounds of job interviews and selection processes.

Participants:

A total of 130 students participated in the session, representing various departments of engineering within the institute.

Session Details:

The one-day session commenced at 10:00 AM with an opening address by the session coordinator, emphasizing the importance of effective communication and collaboration skills in group discussions. The agenda for the session was outlined, focusing on fundamental principles, techniques, and strategies for participating in and leading group discussions.

The session comprised the following key components:

Understanding Group Discussion: Explanation of the purpose, structure, and dynamics of group discussion rounds commonly used in job interviews and selection processes. Guidelines for effective participation, active listening, and respectful communication were discussed.

Topic Selection and Preparation: Strategies for selecting relevant topics for group discussion and conducting thorough research and preparation beforehand. Tips for gathering information, organizing thoughts, and formulating persuasive arguments were provided.

Group Dynamics and Leadership: Training on managing group dynamics, fostering cooperation and collaboration among participants, and assuming leadership roles when necessary. Techniques for initiating discussions, summarizing key points, and resolving conflicts were explored.

Participation and Contribution: Guidance on effective participation and contribution strategies in group discussions, including speaking confidently, articulating ideas clearly, supporting arguments with evidence, and actively engaging with fellow participants.

Feedback and Reflection: Continuous feedback and reflection were encouraged throughout the session to facilitate learning and improvement. Opportunities for peer feedback, self-assessment, and constructive criticism were provided to enhance students' self-awareness and communication skills.

Conclusion:

The one-day session concluded at 2:00 PM with closing remarks from the session coordinator, encouraging students to apply the knowledge and skills gained during the session to excel in future group discussion rounds and collaborative endeavors. Feedback was collected from the participants to evaluate the effectiveness of the session and gather suggestions for future workshops or sessions.

Overall, the session proved to be highly beneficial for final year engineering students, equipping them with valuable communication, teamwork, and critical thinking abilities essential for success in group discussion scenarios.

To,
The Director,
Chhatrapati Shivaji Institute of Technology,
Durg, Chhattisgarh

Subject: Permission for conducting Online Session on Mock Interview.

Respected Sir,

The Training and Placement Office wishes to organize One day Session for the students of Final Year for different departments.

It is humbly requested to grant us permission for conducting a Session on "Mock Interview" for Final Year Engineering Students, as mentioned below:

Name of Activity	Date	Venue	Timing	Students
Online Session – Mock Interview	22/05/2021	Online	10:00 A.M. TO 2:00 P.M.	130 NOS.

Looking forward for your kind consideration and permission please.

Thanks and Regards

Yours faithfully

Prof. Sanjay Kumar Singh

Training and Placement Cell

Notice

All The students of Final Year are hereby informed that a Session on is going to be conducted as per given details.

Name of Activity: Session on Mock Interview.

Date: 22 May 2021

Venue: Online

Timing: 10:00 to 02:00 PM

Target Audience: Final Year Students

This session aims to enhance your interpersonal skills, which are crucial for personal and professional development. We encourage all eligible students to actively participate and make the most out of this opportunity.

Report

Mock Interview for Final Year Engineering Students

Introduction:

A one-day session focusing on "Mock Interview" was conducted on 22nd May 2021 for the final year engineering students of Chhatrapati Shivaji Institute of Technology, Durg. The session aimed to provide students with practical experience and feedback to prepare them for real-world job interviews in their respective fields.

Participants:

A total of 130 students participated in the session, demonstrating significant interest and participation from across different departments of engineering within the institute.

Session Details:

The one-day session commenced at 10:00 AM with an opening address by the session coordinator, emphasizing the importance of mock interviews in preparing students for the job application process. The agenda for the session was outlined, focusing on simulating real interview scenarios and providing constructive feedback for improvement.

The session comprised the following key components:

Mock Interview Rounds: Students were divided into groups and participated in multiple rounds of mock interviews conducted by faculty members or industry professionals. Each round focused on different aspects of the interview process, such as technical skills, behavioral competencies, and problem-solving abilities.

Interview Preparation Tips: Guidance on preparing for job interviews, including researching the company, practicing common interview questions, and presenting oneself professionally. Tips for effective communication, body language, and confidence-building were provided to enhance students' performance during interviews.

Feedback and Assessment: After each mock interview round, students received personalized feedback and constructive criticism from the interviewers. Areas of strengths and weaknesses were identified, and suggestions for improvement were offered to help students refine their interview skills and address any areas of development.

Peer Observation and Reflection: Students also had the opportunity to observe their peers' mock interviews and provide feedback from their perspective. This peer-to-peer learning approach fostered a collaborative environment and encouraged students to reflect on their own interview techniques.

Individual Consultation: Students were given the opportunity for individual consultation sessions with the session coordinators or faculty members to discuss their performance, address specific concerns, and receive additional guidance and support tailored to their needs.

Conclusion:

The one-day session concluded at 2:00 PM with closing remarks from the session coordinator, emphasizing the importance of continuous practice and preparation in building confidence and competency for real job interviews. Feedback was collected from the participants to evaluate the effectiveness of the session and gather suggestions for future mock interview sessions.

Overall, the session proved to be highly beneficial for final year engineering students, providing them with valuable practical experience, feedback, and guidance to enhance their interview skills and increase their employability prospects.

Prof. Sanjay Kumar Singh
